Apply Online

Career Counselling

You can choose the course from the various option available for you. You can connect with our Counsellor for Free Career Counselling on Call or Chat with them or Fill the Form.

Application

You can complete your application from “My Account” which will create once you apply for any course. Where you can upload all your required admission documents.

Pay Fees

Pay fees in instalments or in a lump sum for exciting offers. Convenient payment options like debit/credit card, bank transfer etc.

Enrollment

Once we receive your documents, they are thoroughly verified and sent for further enrolment process. For any guidance or clarification, feel free to call us or chat with us.

Delivery

Post verification of all the required documents and fee payment, the enrolment team of the university verifies the same as first level check and provides provisional registration to the students. The students receive a mail of provisional registration from the university within 15 working days after completing the uploading of application in the system by the student. This includes the LMS URL, User Id and Password of the student for accessing the ECampus (LMS).

Course Conduction

Every subject would have the following activities for the students

Access to Chapter Wise E-Book

Based on the approved Program Objective (PO) and Course Objective (CO) and curriculum from university BOS and Academic council for every course, the Self-Learning Material (PDF format) have been developed by the subject matter experts which are internal faculties of the university.

One E-book has been provided for every subject at chapter level considering the course objectives.

The student should go through every chapter of the e-book provided and can make notes which will enable the student to understand important aspects of every topic during the learning process.

Access to Chapter Wise Study Guide

Based on the Course Objective (CO) a file in powerpoint presentation (PPT) is developed by the internal subject matter expert for every chapter within a subject which helps the student to understand the key aspects of the topic.

Access to Chapter Wise Practice Test

Based on the Course Objective (CO) a file in powerpoint presentation (PPT) is developed by the internal subject matter expert for every chapter within a subject which helps the student to understand the key aspects of the topic.

Tutorials : These are recorded sessions for every subject which are in sync with the course outcome. The subject matter experts have created the lesson plan based on the curriculum and they have recorded the video for every course outcome within the subject. This will help the learners to refer the session during their learning journey.

Interactive Module

These are videos developed by the subject matter experts which are based on the course outcome. Every video has been integrated with questions wherein the students would be asked questions based on the session undertaken. The student attempts every question which has 4 options, after the attempt the interactive video displays the right answer, this helps the students to understand the concept in a better way. The student can re-visit the interactive video as per the student requirement.

Course Conduction

Web Resources

These are Open Content available on the internet related to the topic these include Videos, Articles.

Discussion Forum

Discussion Forum is for every course outcome. This is a part of the Continuous Evaluation. Refer the Tab for Discussion Forum on the website.

Live Interactive Session

These are Synchronous Live Interactive Sessions (Webinar). The University schedules live interaction sessions for the students to attend. Refer the Tab for Live Session on the website.

Gamified Module

The Gamified modules consist of templates like football, cricket, basketball which has been integrated with 5 questions from every chapter. This helps the students to gauge their understanding about the topic.

Case Studies

Case studies are created by the experienced faculties and/or industry experts to showcase various scenarios to the students. The case is narrated to the students in form of a story and the students are expected to comprehend it and answer the questions given at the end of the case study.

Admission and Registration Process

Admission

- After visiting the website and understanding the programs offered by the university, the following options are available:
 1. The student can fill the enquiry form which gives access to reach our counselor.
 2. Our counselors would call the students and provide the course information based on program eligibility.
- After the online counselling process is done by our counselors, the student applies for the online programs.
- Student registers online on provisional basis by signing up after clicking the “Apply Now” Tab.
- The student signs in with name, email id, mobile number and selects the program.
- After signing up, the student gets the access to “My Account” to provisionally register with the university.
- The student updates his/her Aadhar number and receives an OTP from Aadhar Portal which is to be entered in the system during registration.
- After Verification, the system pulls all the relevant information from the Aadhar portal and the complete details are captured by the system.
- The student fills in the profile details which include academic and employment details.
- After filling in all the relevant details, the student downloads the application form from my account and after signing on the downloaded application, uploads the same along with all other documents necessary for admission process.
- Students who do not have Aadhar Card need to provide any Govt. Id Proof like Election Card, Passport etc

Document Upload

After filling in all the personal details the student uploads all the relevant document in the system. Following are the list of documents required to upload:

Mandatory Documents for Admission

Duly filled in Admission Form signed by the student (The name mentioned in Admission form should be exactly as per 10th Std Mark Sheet) (Color Scan Copy)

- Photocopy of Degree Certificate: Optional - (In case of MBA Program) (Color Scan Copy)
- Photocopy of All year/All Semester Mark sheets (In case of MBA Program) (Color Scan Copy)
- Photocopy of 10th Std. Mark sheet & Certificate (Color Scan Copy)
- Photocopy of 12th Std. Mark sheet (Color Scan Copy)
- Passport size color Photo-3 copies/or Soft Copy
- Photocopy of Govt. issued Photo ID Proof (e.g. Aadhaar Card, PAN card, Voter’s ID, Driving License/ Passport etc.)
- In Case of Name Change, need Name Change document
- Fee as per fee structure. Cheque/DD/Online Payment Receipt

Admission and Registration Process

Fee Payment Process

- After uploading all the required documents, the student pays the fee through the online payment gateway integrated with the system. The fee has been mentioned on the website for every respective program.
- The student after submitting the above details is diverted to the bank payment gateway.
- After paying the fee online through debit card, credit card or NEFT the student gets a payment confirmation through email / SMS for the transaction done.
- Post verification of all the required documents and fee payment the enrollment team of the university verifies the same as first level check and provides provisional registration to the students.
- The students receive a mail of provisional registration from the university within 2 working days after completing the uploading of application in the system by the student. This includes the LMS URL, User Id and Password of the student for accessing the E-Campus (LMS).

ASSESSMENTS

A. Continuous Evaluation through LMS:

After completing the above activities the student would get access to the subject wise assignments.

Particular	A1 (Objective Type)	A2 (Subjective Type)	A3 (Discussion Forum)
Weightage%	10%	15%	5%
Marks	100	100	100
Passing Score	40	40	40
(12 out of 30 is Passing at Subject Level)	Passing 40% at Subject Level		

Assignment 1 (MCQ Based Objective Type Questions)

- The student would get 50 random questions of 2 marks each (100 marks).
- The said assignments are based on the course outcome for every subject. After clicking the timer is set at 1 hour and student need to attempt all 50 questions.
- Passing criteria is 40% in Assignment 1.
- The system evaluates the objective assignments and displays the scores to the students. In case the student is not able to achieve the 40% criteria the student has to re-attempt the said assignment.

ASSESSMENTS

Assignment 2 (Subjective Assessment):

- The subjective assignments are based on the course outcome for every subject. There would be 5 questions of 20 marks each. (Long Answers).
- The questions would be based on the course outcome and a rubric would be displayed for the student for the same.
- The students would need to download the Question Paper from LMS and upload the response sheet on LMS.
- The response sheet would have a plagiarism check with 20% similarity limit.

Assignment 3 (Discussion Forum for every Subject)

- Every subject would have 8 discussion forums based on the course outcome. Every subject would be 4 Open Discussion forums and 4 Graded Discussion forums (with marks). The said discussion forum would be scheduled within the learning period available for the students. Refer the calendar for discussion forum

Lab (For Applicable Courses):

The students download the lab assignments after the Aadhar verification and upload the lab assessment response sheet in LMS.

Weightage for Lab Assessments (where applicable):

Continuous Evaluation		
Weightage%	10%	15%
Marks	10	100
Passing Score	10	10
(12 out of 30 is Passing at Subject Level)		

Evaluation

- The evaluator enters the marks in the system for every subject for every student
- The objective type of questions is evaluated by the assessment engine itself.

ASSESSMENTS

Grading System:

At the end of all evaluation components based on the performance of the student, each student is awarded based on an absolute grading system. As per the UGC norms, the list of absolute grades and its connotations are given below

Grade	Continuous Evaluation	Range	
O (Outstanding)	10	85	100
A+ (Excellent)	9	80	10
A (Very Good)	8	65	100
B+ (Good)	7	60	10
B (Above Average)	6	50	100
C (Average)	5	45	10
P (Pass)	4	40	100
F (Fail)	0	<40	-
AB (Absent)	0	-	-

Semester End Examinations:

- The semester end examinations have 70% weightage.
- Based on the academic calendar of the University, the exam form would be opened through the website.
- The University controller of exams declares the exam date sheet (Timetable) for every subject based on various programs offered by the university.
- Calendar.
- The learner has minimum participation of 75 percent in all the activities of online programme prior to end semester examination or term end examination.

ASSESSMENTS

Examinations Conduction:

- The exams would be conducted at University exam centers.
- The exams would be a mix of questions (Objective Type – 49 Questions with 1 mark each – Total 49 marks) and 3 subjective questions (7 marks each – Total 21 marks) Total 70 Marks.
- The student would provide his ID card and hall ticket before the exam starts for verification to the invigilator.
- The student would be provided with user id and password at the exam center for every exam, by the invigilator, who is present at the exam center.
- The student logs in on the computer provided at the exam center and start attempting the questions and enters the response in the system for every question.
- Results are declared within 30 days from the last date of exam. Marksheets would be generated with 15 days from date of declaration of result.
- Refer Academic Calendar for details.

Project Guidelines:

- For the programs which have project work at the end of the course, the students need to submit a project report in a hardbound copy.
- The Project Guide would be the immediate supervisor where the student is working and undertaken the said project.
- Project work would be around 80 to 100 pages as per the format provided by the university.
- The students should refer the project guidelines as provided by the university The project should be done by the student and must be original and should not be plagiarized.
- The hard copy of the said project needs to be submitted before the start of the final examination.
- Passing criteria for project work is 40% Evaluation of Project

Grade Book

- Every subject would have continuous evaluation and semester end examination
- Weightage on every subject: Continuous Evaluation: 30% and Semester End Exams: 70%
- The continuous evaluation would be done through the learning management system, while the semester end examinations would be conducted at university exam centers.
- The University follows the grading system for evaluation purpose please refer the University website for the same.
- The semester end exams information would be mentioned on University website and the same would be communicated to students well in advance.
- The score of Objective type of assignment (A1) would be displayed immediately after the assignments are submitted at the respective assignment tab in LMS as the same is system evaluated.
- The score of Subjective assignment (A2) would be displayed at the respective assignment tab in LMS only after the faculty has evaluated the scores. The score of Graded Discussion Forum (A3) would be displayed at respective assignment tab in LMS only after the faculty has evaluated the scores.
- Lab Test as Applicable would be conducted similar to subjective assessment after Aadhar verification.
- Only after the semester end results are published the results would be displayed in Grade Book in the student LMS.
- Part - I
 1. Understanding of the subject, the conceptualization of the Key areas and Innovative techniques/approach to problem scheme – 50 Marks
- Part - II
 2. Viva, Report Writing and Presentation – 50 Marks Total Marks – 100
