In each Semester, courses are administered in 18 (eighteen) teaching weeks with 30 working hours spread over a 5-days /week.

#### 3. Credits

The term credit is used to describe the quantum of syllabus for various programmes in terms of hours of study. It indicates differential weightage given according to the contents and duration of the courses in the curriculumdesign.

#### 4. Learning Outcomes-Based Education (OBE) Curriculum:

The learning outcomes-based curriculum framework for education is a framework based on the expected learning outcomes and academic standards that are expected to be attained by graduates of a programme of study and holder of a qualification. The OBE was introduced for various programmes offered by the University from 2019-20 onwards. The overall objectives of the learning outcomes-based curriculum framework are to:

- a) help formulate graduate attributes, qualification descriptors, programme learning outcomes and course learning outcomes that are expected to be demonstrated by the holder of a qualification;
- b) enable prospective students, parents, employers and others to understand the nature and level of learning outcomes (knowledge, skills, attitudes and values) or attributes a graduate of a programme should be capable of demonstrating on successful completion of the programme of study;
- c) maintain national standards and international comparability of learning outcomes and academic standards to ensure global competitiveness, and to facilitate student/graduate mobility; and
- d) provide higher education institutions an important point of reference for designing teaching-learning strategies, assessing student learning levels, and periodic review of programmes and academic standards.

#### 5. CourseContent

Each course is designed variously under lectures / tutorials / laboratory work / seminar / project work /practical training / report writing / viva-voce etc., to meet effective teaching and learning needs and the credits are assigned suitably.

#### 5. Learning Outcomes-Based Education (OBE) Curriculum:

The learning outcomes-based curriculum framework for education is a framework based on the expected learning outcomes and academic standards that are expected to be attained by graduates of a programme of study and holder of a qualification.

The OBE was introduced for various programmes offered by the University from 2019-20 onwards. The overall objectives of the learning outcomes-based curriculum framework are to:

h) provide higher education institutions an important point of reference for designing teaching-learning strategies, assessing student learning levels, and periodic review of programmes and academic standards.

#### 6. CourseLabeling

The courses listed by each department will be denoted with components of (L-T-P-C) where L,T,P,C refer to the credits assigned to Lecture, Tutorial, Practical / Laboratory / Field Visit and total credit under each one of the courses. In addition to learning the subject of choice and peripheral subjects of use, emphasis will also be given for improving communication, language and computer skills of the students.

#### 7. Evaluation

Evaluation will be done on a continuous basis four times during the course work. The first evaluation will be in the 7<sup>th</sup> week, the second in the 11<sup>th</sup> week, third in the 16<sup>th</sup> week and the end – semester examination in the 19<sup>th</sup> week. Evaluation may be by objective type questions, short answers, essays or a combination of these, but the end Semester examination is a written examination.

#### 8. GradingSystem

The term **Grading System** indicates a seven point scale of evaluation of the performance of students in terms of marks, grade points, letter grade and class as given:

	Seven Poin	t Grade system	
Range of marks	Grade Points	Letter Grade	Description
90-100	9.0-10.0	О	Outstanding
80-89	8.0-8.9	D+	Excellent
75-79	7.5-7.9	D	Distinction
70-74	7.0-7.4	A+	Very Good
60-69	6.0-6.9	A	Good
50-59	5.0-5.9	В	Average
00-49	0.0	U	Reappear
Absent	0.0	AAA	Absent

#### 9. StudentAdvisor

All the teachers of the department function as student advisors. There will be more or less an equal number of students assigned to each student advisor of a Department. The student advisor will help the students in choosing core and elective courses of study. The student advisor is responsible for registration of courses by his/her wards. The student advisor will offer all possible student supportservices.

#### 10. Duration

A student shall obtain the Master's Degree if he/shehas:

- a. registered, undergone and secured the required minimum credits for all the Core and Elective courses and completed the Project Report/Dissertation specified in the Curriculum corresponding to his/her programme within the stipulated time
- b. no dues to the university, hostel andlibrary
- c. no disciplinary action pending againsthim/her

The duration for completion of atwoyears Master's Degree programme in any subject is **four** Semesters. The maximum period for completion of the programme is **eight** Semesters.

The duration for completion of a three years Master's Degree programme in any subject is **six** Semesters. The maximum period for completion is **ten**Semesters.

The duration for completion of a five year Integrated Master's Degree Programme in any subject is **ten** Semesters. The maximum period for completion is **fourteen**Semesters.

#### 11. Structure of the Programme

Master's Degree programmes consist of:

Core courses which are compulsory for all students.

Elective courses which students can choose from amongst the courses approved within the Department.

Online courses which students can choose from the SWAYAM / SWAYAM PRABHA Digitalrepository.

Dissertation/Project work/Practical training/Field work, which can be done either in the Department or in an organisation (Government, Industry, Firm, and Public Enterprises etc.) approved by the departments concerned along with a viva–voce and supportive courses offered by otherdepartments.

#### 12. Registration

After admission to the programme, a registration number will be assigned to each student, giving the year of admission and theprogramme.

Every student must register for the courses he/she intends to undergo in the semester as specified in the course content book and on a specified time notified in the academic calendar.

The information related to registration has to be provided in the prescribedProforma.

The registration form will give details of core, elective and supportive courses to be taken in a semester with the number ofcredits.

The student should consult the student advisor for the choice of the course.

The registration form should be filled in triplicate with full details of the core, elective and supportive courses to be taken in a semester with the number of credits and signed by the student and studentadvisor.

Withdrawal from a course is permitted up to one week from the date of registration.

However, withdrawal of any course will not be permitted for those who undergo late registration. Cancellation of a course (Core/Elective/ Supportive) may be permitted before the conduct of first assessmenttest.

After registration, a student can drop from a course admitted to earlier and can substitute it by another course for valid reasons with the consent of the student advisor, but within the stipulated time.

From the second semester onwards, registration for the courses will be done by the students on a specified date in consultation with the student advisor. A student will become eligible for registration only if he/she has cleared all the dues to the Institution, accrued during the previoussemester.

Late registration will be permitted up to two weeks of the commencement of the semester, on payment of a late registrationfee.

#### 13. Discipline/Ragging

Each student is required to observe discipline and decorous behaviour both inside and outside the campus and should not indulge in any activity, which will tend to bring down the prestige of the institution.

Ragging is unlawful and will be viewed seriously. The registration of students will be automatically cancelled if the charges are proved. As per the UGC recommendation, if any incident of ragging comes to the notice of the authority, the student concerned shall be given a chance to explain and if his/her explanation is not found satisfactory, the authorities would expel him/her from the University.

#### 14. Attendance

Every teaching faculty handling a course is responsible for the attendance of candidates who have registered for thecourse.

The course teacher must intimate the department at least seven calendar days before the last working day in the semester about the particulars of all students who have secured an attendance of less than 75%.

A candidate who has an attendance of less than 75% shall not be permitted to sit for the end semester examination in the course in which the shortageexists.

However, it shall be open to the department to grant exemption to a candidate who has failed to obtain the prescribed 75% attendance for valid reasons on payment of a fine and such exemption should not under any circumstances be granted for attendance below 65%.
